Additional Note regarding the minutes of the Annual Parish Meeting held 14th March 2024

Members have discussed that Dorset Council's calculation of the Council Tax is unconventional and this is misleading to the public (as contained in the report presented by Cllr Robin Cook to the Annual Parish Meeting on 14th March 2024).

The Clerk will formally ask Dorset Council to explain how the figures are calculated for report to the June Parish Council meeting.

15th May 2024
